

## PROJECT TITLE

### Downtown Los Angeles Graffiti Control

Insert Location Map Below:

**Project EA:**24640K

**PPNO:**3547

**Project Location:** Downtown LA

**Co/Rte/KP/PM:** LA/101/ LA/ 101/ 1.5/ 8.0

**Project Description:** Plant vines on sound walls and install texture paving in areas too narrow to plant.

**Project Scope:** Control Graffiti on Sound Wall

**Existing Funding:** IIP: \$1,638,000  
RIP: \$0  
Other: \$0

**Future Funding Need:** \$0

**Total Estimated Cost:** \$1,638,000.00

**Project Schedule:** July 2004 to June 2007

## PROJECT INFORMATION

**Background:** This project will plant vines on sound walls, apply anti-graffiti coating where vines can not be planted, and install textured paving to beautify spaces in front of the structures and median that are too narrow for planting. Prior to application of anti-graffiti coating, walls will be cleaned of graffiti or painted.

Sound walls in this area are plagued with graffiti. There is little landscaping due to the narrow right of way remaining after widening projects. Vines will help to humanize the walls enclosing this area. Maintenance has concurred that vines are the best deterrent to graffiti.

**Project Need:** To Beautify Sound Walls in Downtown Los Angeles

**Project Purpose:** Control Graffiti and Beautify Downtown Los Angeles
